PBCDF continued with mine processing this week. On Thursday, May 8, the site held a public meeting at the Outreach Office to discuss the renewal of its Resource Conservation and Recovery Act (RCRA) permit. RCRA is the federal law governing waste management at PBCDF. With the public meeting completed, the site is preparing the draft RCRA permit modification for submission to the Arkansas Department of Environmental Quality. The site's RCRA permit is renewable every 10 years.
